

P.P.S.

"THE VIEWFINDER"

October, 1982
Vol. 1/Issue 3

Andrea Berardi
Editor

From The Presidents Pen

Our fall and winter season is off to a fine start, and promises to be of great interest.

In late September four members of the executive were guests of the Scarborough Camera Club. Visiting a well established club was an opportunity to assess our own organization. We found we are well on track. The enthusiasm and hospitality they afforded us was impressive. Within minutes we felt we had been friends for years. They have expressed a strong desire to have inter club competitions and visits on an annual basis.

The October meeting was a resounding success. Your standing ovation acknowledging Dr. Peter Van Rijnhs presentation was of course well deserved, and demonstrated your appreciation of the standard of photography.

To our members who missed that evening I would strongly recommend you try to visit Streetsville on November 11th.

I would draw your attention to the items of interest in the newsletter.

Len Lowe

P.S. Cameras are like cars. They need maintenance from time to time. November may be uninspiring for photography, so why not put your camera in for cleaning, etc. Your local dealer will help you arrange this.

Glimpse of Autumn

AS SOON AS POSSIBLE: Please bring good Fall prints for display at Peterborough Square. They must be framed. Leave them at the office at the bottom of the stairs at the George & Simcoe entrance, (ask at the Information Booth). We will see that they are displayed properly.

Please put your name and print title on a 2X3" card (approx).

Coming Events

November 19,20,21: Seminar "Developing an Individual Approach to Pictorial Photography", conducted by Bud Watson at the Fern Resort, Orillia.

The seminar includes Friday evening, Saturday, and Sunday morning.

COST: \$ 135.00, includes accomodation and meals.

For information write to: Fern Resort

TIED FOR SIXTH:	Karen Davey (2 Slides)

Frames

Picture frame samples will be available at the Nov. 2 meeting. Frames are available at a considerable savings to members. Orders should be placed with Bob Stockton and payment is required at time of order.

Information

By BOB STOCKTON

Kodak has unveiled its newest product: a super high speed colour print film that carries an ISO rating of 1000 (ISO is a new international film speed standard similar to ASA). The new film will be 2½ times more sensitive to light than any other colour print film now on the market..

Kodak scientists were able to overcome the grain problem by, in effect, redesigning the physical structure of the silver halide crystals that form the light sensitive coating of unexposed film. In their changed shape the crystals now are flatter with more of their surface area being exposed to light. Kodak is currently spending nearly \$2 million per day on research and development according to TIME. The new film will go on sale during 1983.

On Order

Jim Quirk has ordered for the Society 50 National Geographic 'Field Guides', that will be for members to purchase at a later date.

In the September issue of N.A.P.A.'s newsletter - Fotoflash, Mr. Charles Stahl (V.P.) wrote an article telling about his visit with us in August, and consequently our joining N.A.P.A. In his closing remarks he said, "Driving home in the wee hours of the morning, I had a feeling that I had gained new friends. Welcome aboard Peterborough Photographic Society!".

In order to show our sincere appreciation for the superb help that Charles Stahl has given The Peterborough Photographic Society, we have donated \$ 50.00 towards the purchase of a computer, to help ease the N.A.P.A. workload.

In return we will receive from N.A.P.A., a copy of Freeman Patterson's latest book 'Photography of Natural Things'.

We Wish To Establish A Library

Elaine Gordon will be co-ordinator of our library. We will be telling you more about how it will work at our next meeting.

Just A Note

Please feel free to call me with any information or questions. As co-ordinator of the newsletter, I will be happy to hear from you.

Along with our August newsletter we sent an extra sheet titled - 'Competitions & Exhibits'. If you have either lost or not yet received your copy, please let me know, and I will arrange to have one mailed to you.

Thank you,

Andrea Berardi
